

HP Prime Gloss Air GP

Intermediate polymeric adhesive vinyl with gray permanent adhesive

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

Produce outstanding, easy-to-install prints

See outstanding image quality and great hiding power

This high-gloss, intermediate adhesive vinyl offers outstanding image quality and “pop.” The gray permanent adhesive is opaque for maximum coverage. This vinyl installs easily with a low-profile air release liner. Experience durable print performance with over 10 years laminated display permanence.¹

REACH compliant²

Offer a vinyl that complies with high health and safety standards. HP Prime Gloss Air GP is flame-resistant³ and REACH compliant²—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

Save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time.
