See outstanding image quality and great hiding power

This matte-finish, intermediate polymeric adhesive vinyl offers outstanding image quality and “pop”. The gray removable adhesive is opaque for maximum coverage. This vinyl installs easily with a low-profile air release liner and provides durable print performance with over 10 years laminated display permanence.¹

REACH compliant²

Offer a vinyl that complies with high health standards. HP Prime Matte Air GR is REACH compliant²—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

Save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time. Prints produced with HP Latex Inks also provide a better approach with end-to-end environmental sustainability.³
