

# HP Everyday Matte Overlaminates

Short-term, economical monomeric matte overlaminates

The HP large format printing system—the complete solution.

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## A protective overlaminates for promotional graphics

### Economical matte overlaminates

Partner HP Everyday Matte Overlaminates with HP Permanent Matte Adhesive Vinyl or other printed graphics for added protection for indoor and short-term outdoor digital print applications. HP Everyday Matte Overlaminates enhances the print image quality and protects it from wear and tear.

### Differentiate with a product designed with the environment in mind

Offer a vinyl that complies with high health standards. HP Matte Monomeric Overlaminates is REACH compliant<sup>1</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

### Save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time.

Target customers	Applications	Benefits
Print service providers	Overlaminates solution	Economical calendared overlaminates vinyl to provide print protection.
	Flat surfaces	Clear, permanent adhesive bonds well to printed graphics.
	Indoor and outdoor signage	Enhances image quality and protects image from scratches
		Aids in the application of printed graphics by adding rigidity—making the graphic easier to handle and protecting it from scratching during installation.

# Technical specifications
