

# Large Format Printing Materials Product Update

August 2026

## Product: HP 20-lb Bond with ColorPRO Technology

Dear Partner,

HP 20-lb Bond with ColorPRO Technology is manufactured at two locations. The same profile is used with both locations. Below are the differences:

| Spec              | HP 20-lb Bond (v1)  | HP 20-lb Bond (v2)  |
|-------------------|---------------------|---------------------|
| Thickness         | 101 microns (4 mil) | 101 microns (4 mil) |
| Brightness        | 92                  | 95                  |
| Opacity           | 88                  | 93                  |
| Country of Origin | United States       | UAE or ID           |

Contact your local sales representative should you have any questions.

Thank you for your business,

**BMG/HP Large Format Printing Materials Team**
